### Personal data that we process

In2Holland does not collect and process personal data via our website. We also do not use social media plugins. You can find our e-mail address on the website and contact us by e-mail or telephone.

If a customer relationship is established, we process additional personal details such as a copy of your passport, BSN number and related. These are necessary to be able to perform our services properly. In the event of the termination of the customer relationship, we will destroy your personal data, with the exception of data that we must be able to submit based on legal obligations.

### Special and / or sensitive personal data that we process

Our website and / or service does not intend to collect data about website visitors who are younger than 16 years. Unless they have permission from their parents or guardians. However, we can not check if a visitor is older than 16. We encourage parents to be involved in the online activities of their children, in order to prevent data about children being collected without parental consent. If you are convinced that we have collected personal information about a minor without this permission, please contact us at [nicolette@in2holland.com](mailto:nicolette@in2holland.com) and we will delete this information.

### For what purpose and on what basis do we process personal data

In2Holland processes your personal data to be able to call or e-mail you if this is necessary to carry out our services.

### Automated decision-making

In2Holland makes no decisions whatsoever on the basis of automated processing that can have (significant) consequences for persons. Automated decisions are decisions that are based on computer programs, algorithms or similar systems that do not involve a person (for example, an employee of In2Holland).

## Computer systems and programs

In2Holland uses the following computer programs or systems: HTML website, without forms, SSL encrypted e-mail traffic, secure cloud storage, password-protected access to personal computer systems.

## How long we store personal data

In2Holland only corresponds with its clients via e-mail where the protection of the correspondence is taken seriously and appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification of said correspondence.

## Sharing personal data with third parties

In2Holland provides personal client information exclusively to third parties only when needed for the execution of the legal agreement between In2Holland and the client. Also do we provide personal information in case we have to comply with a legal obligation.

## Cookies, or similar techniques, that we use

In2Holland does not use cookies or similar techniques.

## View, modify or delete data

You have the right to view, correct or delete your personal data. In addition, you can withdraw your consent to any processing of your personal data by In2Holland. Also do you have the right to data portability. This means that you can submit a request to us to hand over by e-mail all personal data we hold on your behalf in our systems. You can request access to, ask for corrections, deletion and transfer of your personal data or any other request involving your personal data to [nicolette@in2holland.com](mailto:nicolette@in2holland.com).

In case of any request regarding your data, we will need to make sure that it's you. For that we require you to adhere a copy proving your identity. We will attend to your request as soon as possible and always within 4 weeks. In2Holland also wishes to point out that you have the opportunity to file a complaint with the Dutch Data Protection Authority. This can be done via the following link:
